The background features stylized line art of hands and a heart. At the top, several hands are shown in various poses, some holding each other. A large heart shape is formed by a continuous line, with a smaller red heart inside it. The overall style is simple and illustrative, using purple outlines and solid colors like blue, orange, and red.

“What can one little person do? What can one little me or you do? What can one little person do to help this world go ‘round? One can help another one, and together we can get the job done.”

SALLY ROGERS

DEDICATION 1 Enduring Legacy

Mercedes Robbins is a true example of what one little person can do. She joined the TEEG board in 1997 and served our community with dedication and heart for 21 years. During that time, Merc provided more than 1,473 hours of service, guiding our agency to touch the lives of those in the TEEG community 746,840 times.

We lost Merc in March of this year, but she will forever be in our hearts. She was passionate about TEEG and her community, she was wise in her guidance, and she was generous with her time. Her singular efforts offered with a wink and a nod yielded hundreds of thousands of kindnesses.

One Little Person

Numbers can tell a story. At TEEG, we look at them all the time to measure the success of the work we do. How many lives did we touch? How much did we receive? How many pounds of groceries were collected? How much time was donated? The ways to count TEEG's impact are endless.

In looking at the numbers, it also is clear to see how much we depend on volunteers and donors to do the work we do. Every contribution – no matter the size – makes a difference. We provide the space and opportunity for change to happen, and the community consistently shows up in force. TEEG's job, is to then combine and compound the incredible amount of good that is entrusted to us.

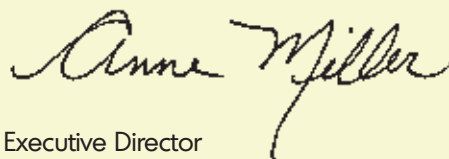

From mentoring youth, to helping in our markets, from cleaning up after our ASAP Camp, to weeding our gardens, TEEG volunteers are the ones who keep our programs running and our staff supported. When we ask for a particular type of food, locals stock the TEEG markets with bags of it. When we put out a call for Back-to-School supplies, groups, individuals, and donors rush in with backpacks, pens, lunch boxes, and crayons.

Similarly, our donors and funders are counted on for financial support. Opening the morning mail to receive a grant award, sponsorship, or check in any amount from a neighbor is like a hug. It validates our work and enables us to further our mission.

I am often asked, "How do you do so much with such a small workforce?" While I am tempted to say it's magic, the truth is we could never do it without the community of volunteers and donors that assist our staff in so many ways.

As you read *It All Adds Up*, you will see that every contribution to TEEG is needed and valued. We hope you will join us in our work, knowing that we are grateful for each and every one of you, each and every day.

With hope and gratitude,

Dressed to the 9's

In 2019 Pomfret School approached TEEG to collaborate in launching a *Cinderella Project* (a program that provides area women and girls with formal wear collected from the community) event in our area. Five years and four events later, the program has put hundreds of gowns back into circulation and helped many local women and girls to save money and find the dress of their dreams.

Program Coordinator Anne Richards says, "We wouldn't be able to do what we do without the help of TEEG's reputation and connections. They help us reach every youth who needs our dresses."

Numbers in the program have grown to offer over 200 dresses, serving 131 people who received 108 dresses. An interesting offshoot to this story is a triple win – one bride + one mother of the groom + one young woman receiving her First Communion also found the perfect fit!

Stronger 2-gether

TEEG's innovative *Life Skills Empowerment Group Program* is a formula that turns negative situations into positive outcomes. This win-win program is part of the TEEG Northern Juvenile Review Board. Referrals are made through the local juvenile court, law enforcement, or schools; for youth involved in the legal system. The youth then work with a board of local volunteers to restore connections to their family, peers, and community. Led by Howard Smith, our JRB Coordinator, youth are learning landscaping and repair skills as they give back in various ways, including a weaving installation, a fence for our play area, planting, weeding, trimming, and raking. This coming year, the program will be expanded to include once-a-week project time on Wednesdays.

Additionally, *Step Up to Fix Up* is a program that helps our seniors keep up with maintenance on their homes and yards. Individuals and volunteer groups from the community have been stepping up to support the program in the past few years. The Life Skills Empowerment Program connects JRB youth to the Step Up program. Last year, four JRB youths gave 20 hours of their time, helping to make seniors' yards attractive and safe while learning skills and compassion.

316 Servings of Love

During the pandemic, the TEEG Sassy Soup Sisters purchased soups from local restaurants and delivered them to isolated seniors. It was a generous act of compassion that brought people together for a common cause.

Laura Moorehead, the Sassy Soup originator, has kept the program going by organizing volunteers to make soup in TEEG's kitchen with donated ingredients and deliver warm comfort to lonely seniors. Over the past year, 14 donors gave \$575 in

soup stock and seven volunteer chefs came together to chop, stir, and ladle 316 individual servings and deliver them to seniors in four area towns served by two local agencies (TEEG and Interfaith Human Services of Putnam).

18 Tons of Food

TEEG is grateful to receive food in many ways. Through an agreement with Connecticut Foodshare, Walmart in Putnam sends an average of 698 pounds per week to stock TEEG Markets. Multiplied by 52, it adds up to 36,275 pounds – **over 18 tons!**

To receive this bounty, we must collect the food and deliver it to our Thompson Market three times each week and to our Pomfret Market once a week. All this time amounts to an average of 1.75 hours per day, times 2 workers, times 3 days a week, times 52 weeks a year. Without dedicated volunteers, it would require 546 hours of staff time.

Fun for 0 to 63

TEEG's Playgroup is a delightful program that educates, supports, and connects families in our area. Twice a week our Mercedes Robbins Community Room echoes with the joyful sounds of children and their families singing, dancing, reading, creating, playing, exploring, and most importantly, being together.

Offered free of charge, our numbers grew every week this year with participants ranging in age from 0 to

63 years. The total attendance was 2,284 representing 234 individuals and 88 families under the leadership of Lisa Andrews and Erin Drake. Volunteer Lisa Beaupre answered the call when we needed more hands to help manage the growing program, donating 22.75 hours since she joined us in February of 2023.

Enter "His Oaks," a men's recovery group located in Hampton, CT that assists disadvantaged or disenfranchised men struggling to overcome life-controlling issues. As a component of their ministry, the group guides men to give back to the community. We are grateful for their service as a valuable and dependable part of our food rescue system. The equation is balanced with TEEG hosting one of the group's 39 bottle and can collection boxes. Proceeds from these boxes fund a quarter of His Oaks' budget.

Have a Heart: By the Numbers

It doesn't take a rocket scientist to realize the figures in this report are not because of cold, hard facts. Rather, they happen because of warm-hearted people - people who stay connected to TEEG and to one another.

While there are many stories in this report of single groups or generous individuals, there is nothing like gathering once a year to share, to thank, and to give at our Have a Heart Auction.

On March 31st, 272 people gathered at Connecticut National Golf Club for this year's heart-warming event. Our generous sponsors and donors allowed us to offer 141 auction lots. 163 bidders and 75 sponsors raised \$103,304 to support our work and their community. They bid often and they bid high, ensuring that we had the resources to continue to help their neighbors, right here in our corner of Connecticut.

In the end the sum was greater than its parts – the money raised far exceeded the value of the items offered. People gathering and giving for the greater good, at TEEG, that's what we do.

A Priceless Formula

Here's a secret to TEEG's success that involves some higher-level math. If x = we need an inventory specialist in our markets, and y = we don't have a maintenance position, how do $x + y$ make up the difference?

The answer is dedicated volunteers who show up regularly, know us well, and have the skills to complete the work that must be done.

Michael Kingman (x) gave 516.75 hours of his time to oversee the stocking of our shelves, guide market volunteers, and keep track of inventory and needs. His work ensures that we have what people need and that food waste is well managed.

Eric Day (y), one of our board members, uses his retirement time to keep our building resources in tip-top shape and to make our deliveries run smoothly. He was here 217.75 hours scraping, painting, installing, repairing, and even addressing squeaky chairs.

The value? $X + Y = \text{PRICELESS}$

Lives Touched

The ultimate measure of the work we do is the number of lives we touch. Each interaction is a touch, and as you might have guessed, our numbers have grown along with the need. In 2003, we touched 4,020 lives. In 2023, the number increased by 1,357%!

The Multiplier Effect

We are deeply grateful for the level of giving that we received throughout the 2022/2023 fiscal year. It is a reminder of our corner of Connecticut's kind and caring nature. If you think back to grade school math, when you multiply two numbers, the result is a product. Our donors help us achieve an outstanding product every year. It keeps us going and inspires us in our work.

Thank you to the following donors for contributing to and supporting our work over the past 12 months. These lists recognize donors who have made financial contributions to TEEG. We have made every attempt to acknowledge everyone while respecting the anonymity of those who have asked, and sincerely hope we have not left anyone out.

Volunteers are paid in six

– GAYLA LEMAIRE

To Infinity and beyond!

The value of the work that our volunteers do is infinite. From helping in our markets to yard and garden work, we truly could not do what we do without them. They fill in positions that we cannot fund and allow us to use our time to gather resources and connect people to the assistance they need. Additionally, they are a part of our team and bring joy and inspiration every time they show up!

This Beautiful Report Is the Result of our Creative Team

Each year, MAD Communications team Mary Ann and Kyle Dostaler and graphic artist Laura Moorehead help bring our report's vision to fruition. They are a team of three, added to our in-house Team TEEG to create the sum you hold in your hands. It comes from generous hearts and a commitment to the community. Our gratitude to them is beyond measure.
