Early Childhood

TEEG is committed to supporting the educational, emotional and social needs of children. We also recognize the need for collaboration between the schools, community, private education, and other social agencies located in the Quiet Corner. TEEG's early childhood programs include our Parent Child Playgroup and our work with the Thompson Early Childhood Collaborative.

Youth Programs

At TEEG, we know that our future is in the hands of our youth. And because we know this, we work to ensure that ALL youth have the resources and opportunities to reach their full potential. Youth programs offer essential resources to children who live in economically challenged families.

- IAM Adolescent Therapeutic Support Services
- All Star Adventure Program (A.S.A.P.)
- Back to School
- Campership
- Summer Lunch

Parent Education

TEEG staff work to empower parents with the knowledge, skills and support they need to raise healthy children. Our parenting programs work with new parents and old, offering in-home support and education, as well as parenting classes, workshops and support groups.

- Parents as Teachers
- Parent / Child Playgroup
- School Readiness
- Anger Aside
- Gamblers Anonymous
- Parents Empowered

Community Services

Community Service is the heart of TEEG. We were founded with the mission of helping support neighbors in need to empower them to get to their next best place. Sometimes that means helping them heat their home. Sometimes it is about putting food in their cupboards. Sometimes, on a very tight budget, it's the "out of the ordinary" monthly expenses like getting the kids ready to go back to school, or helping Santa Claus provide a special holiday.

- Monthly & Emergent Food Distribution
- Holiday Giving
- Information & Referral Consultation
- Case Management & Budgeting Assistance
- Operation Fuel
- Salvation Army
- Client Relief
- Volunteer Opportunities

Senior Outreach

TEEG is committed to helping older residents (60+) lead active, involved, healthy, and independent lives in their own communities. Throughout the year, our programs provide seniors with vital support services as well as entertainment, social and recreational activities. TEEG's Senior Outreach Services include:

- Monthly & Emergent Food Distribution
- Senior Case Management
- Choices Counseling
- Senior Recreation & Events
- Senior Assistance & Outreach

A Helping Hand to Those in Need A Resource to Unite the Entire Community

TEEG is a human services organization that lends assistance and support to families living in the communities of Northeast Connecticut. Starting out in the small mill village of North Grosvenordale, TEEG's reach has expanded to serve neighboring communities in the Quiet Corner.

Founded in 1987 by a group of concerned citizens, local government and clergy, TEEG has grown to become an integral part of communities we serve. Over the years, our focus has changed from a "hand-out" to a "hand-up" approach fostering individuals' collective abilities to reach out and help each other.

***Last year,
TEEG provided service to
2,405 unduplicated individuals
and 976 unduplicated families.***
