

All Star Adventure Program

Ensuring every child has the opportunity to experience an enriching summer experience.

TEEG's All Star Adventure Program (ASAP) is designed to provide summer recreational opportunities for at-risk youth with emotional/behavioral health needs. Our staff ensures that children who need individual attention and extra support to be included in a variety of exciting community based activities. Designed with the philosophy that no child should be denied a chance to make wonderful childhood memories, ASAP provides the behavioral supports necessary for every child to experience success!

Services Include:

- One staff for every two children
- One onsite Master's level clinician
- Staff trained in Positive Behavioral Intervention and Supports (PBIS) and Crisis Intervention (CPI), CPR and First Aid
- Door to door transportation, breakfast, lunch and activity fees included in cost
- Different enriching and community based activities daily

How to refer/contact information:

The All Star Adventure Program is a fee for service program. We accept referrals from school special education departments, the Department of Children and Families (DCF), and Care Coordination. Please contact Colin at colinw@teegonline.org for more information about referring your child or a child you work with.
