### **Can parents stay?**

Parents are welcomed to stay and watch, however it is asked that they sit in the back of the theater as to limit distraction.

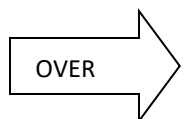

Parents are also encouraged to take time for themselves, and go out and get errands completed, or relax and have a coffee at Victoria Station. It is just kindly asked that if you are going to leave that you please arrive back at the theater for 6:50pm.

### **What if I cannot attend a session?**

If you are unable to attend a session please inform Haylee at 860-923-3458, or hayleeo@teegonline.org. While it is not required that you attend every session, by letting us know that you will not be there will help us get an understanding of who will be present so that we can start the session in a timely manner. Please note that a session will not run if less than three participants are present.
